Geologic Time Binder Order**Botany UA:** _____

Botany UA goes at the start of the Botany Section

Total Points _____/13

The following is a list of the items that must be included in your Unit Binder. These items go behind the **4th section divider (labeled Geologic Time or Geo Time)** and must follow the order listed below. Place the item number in the upper right hand corner of the front page of that item. If you're missing a handout you may download a copy from Dr. B.'s Staff Page if available. The items in this binder are ones you may need to refer back to in the future classes.
